LIONS YOUTH
EXCHANGE

Who would you like to meet? A young person from...

- Japan...
- Europe...
- Australia...
- New Zealand...
- South America...

Host Families Must Be...

- Sponsored by a Lions Club
- Of good moral character
- Have a responsible adult at home at all times
- Have a desire to learn about another culture
- Have a bed for the youth and their own space

Opportunities are available to host a young person between the ages of 16 and 21 through the Lions Youth Exchange program for 2 to 3 weeks in your home. The summer exchange for youths arriving from Japan and Europe is during the months of July and August and the winter exchange for Australia, New Zealand and South America takes place during December and January.

This is a cultural exchange and host families are asked to include the youths as another member of your family during their stay. There should be a responsible adult at home at all times with the youth and they should not be left alone to baby-sit or do the family's chores. Please see the Lions Youth Exchange website at www.LionsYouthExchange.org for more information about being a Lions Host Family.
