

Dear host family

I'm a seventeen (at summer eighteen) years old girl from Finland. My motherlanguage is Finnish and there might be some mistakes in this letter but learning to speak English better is one reason why I joined this exchange. I like to travel and I'm really into languages and Lions exchangeprogram is a great opportunity for me to see the world and get to know different cultures and people.

I'm on my second year in upper secondary school and I will graduate next year. My home is at countryside and that's why I moved away from home year ago to make my schooldays shorter. So from Monday to Friday I live alone in my apartment next to my school and on weekends at countryside with my parents and big brothers.

Then something about my family. So I have of course mum and dad and like I said earlier I have two big brothers, Sampo 23 and Ilpo 21. Ilpo joined Lions exchange program too when he was at my age and it sounded so fun that I wanted to join too.

As hobbies I like to sing at chores and year ago I started with alonesinging studies as a hobby. I'm also a scout but nowadays when school takes so much time I haven't been that active anymore. I also like to play the piano and to keep fit I like to swim, jog, snowboard and go to aerobics.

I also hang a lot with my friend and my boyfriend.

Hope to hear from you soon!

Sincerely

Salla
