

Dear host family,

My name is Belén I am 19 years old and I live with my family in Lima, Peru. I go to college at the Universidad de Lima where I study communications looking forward to be a publicist.

My father is a commander from the Peruvian Navy, he is already retired and now he owns his car business. My mother is an accountant she works with my dad halftime. We have a little dog, her name is Perla, she is a Bichon Frise.

In my free time I love to hang out with my friends to the movies, have lunch or just go to a house to talk and have fun, I also like to play volleyball and badminton in Club which is really close to my house. In my vacations I usually travel with my parents or friends inside the country because I love road trips! If I stay in Lima I usually go to the beach that is about 3 minutes by car from my house.

In 2008 I had the amazing opportunity to go to Wausau, Wisconsin as an exchange student, I had a great time with my host family, they are very nice and we enjoyed sharing our cultures. In Wausau I went to Wausau West High School with my two host sisters.

I am so excited about meeting you this winter! And I hope you can come visit me too and get to know my country.

With love *Belén =)*

Belén
