

Dear Host Family,

My name is Kate. I am sixteen years old and the second eldest of four kids. I live in a small country town called Coleambally in NSW, Australia. I attend school at the local school with my family and friends; I am in my second last year at school. I have a hearing aid which helps me hear more clearly.

I play netball and squash in the winter season and touch football in the summer. These are some of the ways we socialize with each other and have fun together as teams. I enjoy taking photos of random things as a form of my artwork.

I enjoy camping with my family and friends at the beach in the summer holidays.

I look forward to experiencing a few weeks at your friendly home, I'm sure it'll be an amazing and new experience for me.
